AT NORTHSTAR, LAKE TAHOE

COVID-19 Policy for Mountainside Amenities

To follow public health guidelines and safely accommodate as many members as possible, the Mountainside Master Association (MMA) board recently established a new set of guidelines for use for all Mountainside amenities. These are in force until further notice.

Pool

- **Reservations:** Pool use is by reservation only. Reservations will be made in one-hour time blocks. You will be allowed ONE one-hour slot each week (between 10 am to 8 pm with each week being defined as Monday through Sunday), which can be reserved up to 7 days in advance. Any unused slots will be available for reservations starting at 8 am each day. Google Calendar will show the latest schedule by [clicking here](#).

Reservation requests may be made by phone or text to the Outfitters at (530) 386-8374. Note reservations will start to be taken at 8 am each day. Any texts or request made prior to 8 am will not be honored.

For same day reservation requests, the Outfitters will generally follow a first-come, first-served basis, but reserve the right to balance reservations equitably across homeowners to ensure the maximum number of families can enjoy the pool each week.

1

- **Maximum 10 people** can be in the pool area, regardless of in or out of the pool, at each time.
- **Entry/Exit:** Must enter through back gate entrance. We ask that you enter and exit the pool area within your reservation time slot.
- **Swimming:** Only eight (8) people are allowed in the pool at any time. Please self-regulate pool use and provide guidance to your kids.
- **Towels:** Please bring your own towels. Towel service is not available at this time.
- **Locker rooms:** Toilets and sinks are available in the locker rooms. Lockers and indoor showers are not available.

- **Pool furniture:** Members should sanitize chairs and tables at the beginning of and at the completion of their reservation, using wipes and cleaning supplies provided. Please do not move tables and chairs.
- **Lap Swim:** Between 7 am to 10 am, the pool will be available for lap swim only. There will be three designated lap lanes. No reservation is required. Usage is on a first-come, first-served basis. Each swimmer can use for maximum one hour. Lap swimming must be limited to one swimmer per lane, except that members of the same household or living unit may occupy a single lane.

Yoga Studio

- Reopens when allowed under local public health policy
- Continues to be reservation based via Mind/Body and managed by Mary Beth
- Use outdoor space to expand class footprint to allow for required social distancing

Playacre, BBQ / Pizza Oven Area, Sports Court

- No reservations required
- Users will need to self monitor
- Users will be responsible for abiding by all posted rules and public health requirements, including disinfecting and cleaning after themselves using provided cleaning supplies

Gym

- Reopens when allowed under public health policy. Once reopened, no reservations required
- Existing rules apply – no one under 16 is allowed in the gym
- Only one family unit in the gym at a time
- Users will need to self-monitor
- Users will be responsible for abiding by all posted rules and public health requirements, including disinfecting and cleaning after themselves using provided cleaning supplies

Again, these policies will be in place until further notice, and we anticipate that that could be well into next year's winter / spring given the earliest timeline for a vaccine. Please note that the Outfitters have final say in enforcing these policies and making any adjustments that they deem necessary for the safety of all owners, guests and themselves.

Thank you for your understanding and cooperation in adhering to these revised Mountainside policies.

Sincerely,

Clifton Taylor, Ed Morgan, Dan Gilbert
